

## Fall 2006 Listening Sessions:

As part of UW-Stout's open, participatory planning process, all faculty, staff and students are invited to the fall 2006 listening sessions. Major initiatives have begun as a result of your input at these listening sessions, including: the First-Year Experience Program, Curricular Incubation Center, e-Scholar program and a dramatic increase in the number of partnerships with the technical colleges.

This year, the listening sessions will include an overview of the Focus 2010 Goals, 2005-2007 accomplishments, and the 2006-08 priorities. *You are invited to attend one or more of these meetings to hear about the goals, accomplishments and priorities and to suggest new priorities that the university should consider initiating.*

## Schedule for the fall 2006 University Priority Listening Sessions

**All faculty, staff and students** are invited to participate **in any session**. Sessions are expected to last about one hour. No registration is necessary.
