2. Statement of the Issue:

“What issue are you trying to solve?”

Possible university priorities to advance the FOCUS 2010 goals were solicited through the division heads and senate chairs. A complete listing of priority ideas can be found at: [http://www.uwstout.edu/bpa/spgretreat06/priorcomp.pdf](http://www.uwstout.edu/bpa/spgretreat06/priorcomp.pdf)

These ideas were reviewed by the Strategic Planning Group and Polytechnic/Branding was identified as one of the top three priorities. Based on the feedback from the SPG, the Chancellor has identified the following questions for resolution:

- What is a three-year process to incorporate a polytechnic designation at UW-Stout?
  - As we move toward seeking Regent approval for the designation, what process do we use to identify the unique characteristics of UW-Stout as a polytechnic, the strategic benefits to our students and to the state?
  - How do we define branding versus marketing?
  - What process do we deploy to do effective internal and external marketing? How do we integrate these throughout the campus? What does an integrated marketing plan consist of?

- What are the near term initiatives (3 years) to characterize UW-Stout as a comprehensive polytechnic? For example, changes in facilities, programs, and/or services.
3. Action Plan:

4. Implication for Resources:

“What is needed for this priority to succeed?”
(Human, fiscal, physical, other)

5. Key Measures of Performance:

It is the expectation that priority owners will be using/maintaining the process measures to assess action plan deployment. At the end of the fiscal year, the Strategic Planning Group will review and discuss the implementation progress and impact.

**Process Measures:**
Identify no more than two process measures when answering the question:

“What information will be collected to assess successful deployment of the action plan?”

**Performance Indicators:**
BPA is responsible for benchmarking overall performance to answer the question:

“What information will be collected to benchmark and measure the priority’s success?”
