

FOCUS 2015 Feedback Form

DATE: February 7, 2011

Goal: Develop Knowledge, Respect, Validation

Potential Initiatives:

- Implement a mandatory diversity portion of orientation that emphasized the different students and staff on campus, and sets a standard of what is expected behavior at Stout.

Other Comments

Potential Initiatives:

- I am not aware of any campus AODA support or meetings outside of counseling services, nor have I heard of any awareness among students.
- While we seem to have developed disciplinary measures against high risk alcohol use there has been no visible support of alternative activities or encouragement of peer assistance in emergency situations.
- Training need – communication and listening, e-communication(pro, con, etiquette, civility)
