

Team Development

Program Objectives:

- Develop flexible NWTs that can quickly respond to the dynamic business at RMW.
- Conduct developmental courses that enhance the knowledge and skills of the Team Member.
- Create an ‘on-time’ skill development philosophy to provide maximum retention and implementation.
- Utilize a two-fold program focusing on team development and team skills.
- Demonstrate organization-wide support systems through program facilitation and maintenance.
- Participate in a structured transfer of leadership process.
