Use with appropriate local exhaust ventilation. Use in a well-
ventilated area. Provide sufficient ventilation to maintain
emissions below recommended exposure limits.

Maintain cross ventilation through use of fans and opening all doors
and windows until the article is dry. Do not use in small rooms,
bathrooms or closets. Use outdoors if possible. If application
requires more than one can, wait sixty (60) minutes between spraying
each can. NOTE: Once the product has dried, these warnings do not
apply.

Store at temperatures below 120 degrees F (49 degrees C). Keep
container in well-ventilated area. Keep out of the reach of
children.

FIRE AND EXPLOSION AVOIDANCE:
Keep away from heat, sparks, open flame, and other sources of
ignition. Do not pierce or burn container, even after use.

OTHER PRECAUTIONARY INFORMATION:
Avoid breathing vapors. Use only as directed. Use only in areas

Abbreviations: N/D - Not Determined N/A - Not Applicable
7. PRECAUTIONARY INFORMATION (continued)

- Adequately ventilated to remove vapors and prevent vapor buildup.
- Do not spray into eyes, mouth, or onto skin. Keep spray and vapors away from heat sources and open flames such as ovens, furnaces, stoves and dryers when in operation.
