Date Updated: 10/1/00

	PRODUCT AND COMPANY INFORMATION	Employee Handling Summary	
		- Wear protective gloves for	
	Manufacturer's Product Name: Wright's Anti-Tarnish Silver Polish	skin sensitivity	
	Common Name: silver cleaner and polish with anti-tarnish protection		
		See Sections VI & VII for	
		further information	
	Manufacturer: J. A. Wright & Co.		
	P.O. Box 566		
	Keene, NH 03431		
	603-352-2625		
	Manufacturer's Hazard Rating:	Rating Scale:	
	Health = 0	0 = Minimal	
	Fire = 0	1 = Slight	
	Reactivity = 0	2 = Moderate	
		3 = Serious	
		4 = Severe	
	N.D. = Not Determined		
	N.A. = Not Applicable

V. REACTIVITY INFORMATION

Stability: Stable Incompatibility: None known. Hazardous Decomposition: None known Hazardous Polymerization: Will not occur

Product Name: Wright's Anti-Tarnish Silver Polish Manufacturer: J. A. Wright & Co.

Primary routes of entry: None

Skin: Product is not a skin irritant. Eyes: Product is not an eye irritant. Oral: Product is not toxic.

VII. HANDLING / USE PRECAUTIONS AND DISPOSAL PROCEDURES

Safe handling and use: Follow directions on label.

Storage Conditions: Store in 50-100 F range.

Action to take for spills or leaks: Dilute with water and mop up thoroughly.

Waste Disposal: Sewer, septic tank, or sanitary landfill.

VIII. ECOLOGICAL INFORMATION

Proper disposal is by sewer, septic, or landfill.

IX. REGULATORY INFORMATION

TSCA: The ingredients of this product are either listed on the Toxic Substances Control Act or are exempt from listing requirements.

DOT: This product is not subject to the regulations of the U.S. Department of Transportation.

CERCLA: This product is not subject to the regulations of the Comprehensive Environmental Response, Compensation, and Liability Act.

SARA Title III: This product is not subject to the regulations of the Superfund Amendments and Reauthorization Act.

California Proposition 65: No ingredient of this product is reportable under this statute.

Massachusetts and Pennsylvania Right-to-Know Laws

(Hazardous substances present in a product in concentration > 1% which may require reporting): <u>Hazardous Substance</u> <u>CAS No.</u> <u>Concentration</u> None
