University of Wisconsin-Stout

Project Lead the Way

Earning University of Wisconsin-Stout credit for Project Lead the Way courses:

Secondary school students successfully completing Project Lead the Way (PLTW) courses may apply for transcribed college credit from the University of Wisconsin-Stout. The student will receive 3 semester credits per course, subject to the following conditions:

- The school must be certified by PLTW
- All requirements for the PLTW courses must be satisfied, and the student must achieve an average of 85% or better for the course
- The college credit exam must be taken and passed with a grade of at least 70%

The University of Wisconsin-Stout will accept transcribed credit for PLTW courses from other Affiliate University. Up to six (6) such credits may be used as electives towards a degree at the University of Wisconsin-Stout. Possible substitution of PLTW credits for meeting specific programmatic requirements at the University is at the discretion of the individual programs. Currently, at the University of Wisconsin-Stout, PLTW courses do not have specific program equivalents.

The PLTW courses for which University of Wisconsin-Stout credit may be received are as follows:

- Aerospace Engineering
- Biotechnical Engineering
- Civil Engineering & Architecture
- Computer Integrated Manufacturing
- Digital Electronics
- Engineering Design & Development
- Introduction to Engineering Design
- Principles of Engineering
